On Monday Canada's Deputy Prime Minister and Minister of Finance, Chrystia Freeland, announced crowdfunding for Canadian freedom protesters and truck drivers will be considered 'terrorist financing.'

This comes as no surprise since her grandfather was a highly connected Nazi and she's close to George Soros.

The Chomiak files (# 5693/11) from the Warsaw Institute of National Remembrance, which is part of the state's Commission for the Prosecution of Crimes against the Polish Nation. The first document confirms that Chomiak was a POI and a target of a Polish intelligence search and that part of his German war record had been recovered by the Polish police. His last known address was an apartment in Cracow. The second document, dated May 12, 1966, reveals the search for Chomiak led initially to a case of mistaken identity (a peasant named Michael Chomiak who was born a day before the POI).

By 1980, Chomiak was in retirement in Canada and had just four years left to live. Polish intelligence wasn't able to recover the German Army records which after the war moved west along with Gassner and Chomiak. The papers Chomiak left behind after his death in Canada don't reveal what he was doing with the Germans in the 2-year interval in Poland. Polish intelligence suspect Chomiak arrived in Cracow soon after Hans Frank became the governor, offering himself as an agent of influence to inform the Germans on what fellow Ukrainians and anti-Russian nationalists then active in and around Lviv were thinking and planning. His work as a journalist was likely a cover for espionage on behalf of the Germans.

Freeland's mother was Halyna who was the daughter of Nazi Khomiak. He was pictured with higher-up Nazis in Poland.

Freeland is a fan of George Soros and has been pictured with him more than once. Soros helped the Nazis in his youth. Freeland's grandfather was only three levels down from Hitler who was his boss's boss's boss.

Babi Yar is a ravine in the Ukrainian capital Kiev and the site of a series of massacres carried out by German forces and local Ukrainian Nazi collaborators. The most notorious and the best documented of these massacres took place on 29-30 September 1941, wherein 33,771 Jews were murdered in a single operation.

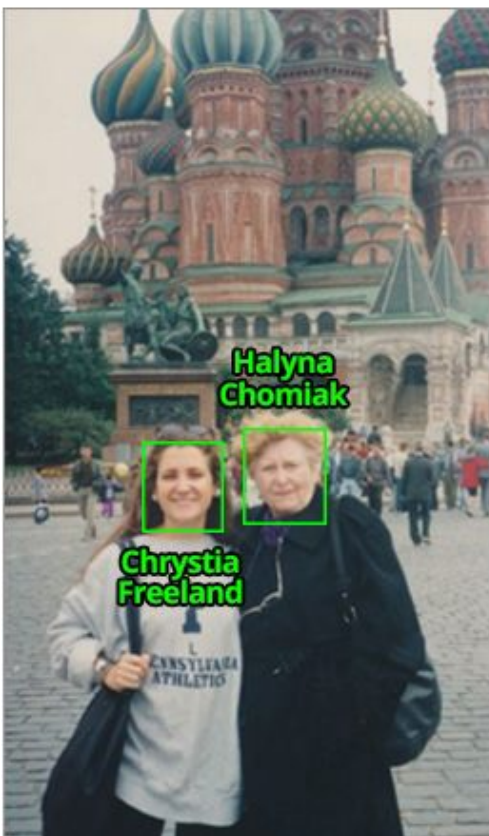

Freeland's mother met her when she was in Russia. [Look at how Freeland smiles at Soros below.]

The Krakivs'ki Visti (Ukrainian: *Краківські вісті: народний часопис для Генерал-Губернаторства*, German: *Krakauer Nachrichten – Ukrainische Tageszeitung*), was a Ukrainian language newspaper originally headquartered in Kraków, that was published from 1940 to 1945. It was described by John-Paul Himka as a “vehemently antisemitic Nazi propaganda daily.” It was published during WWII in the Ukrainian language with the German financial aid and with the influence of Joseph Goebbels himself.

After Mykhailo Khomiak's death in 1984 (he changed his name to Michael Chomiak when he emigrated to Canada after the war). Professor John-Paul Himka said that the anti-Jewish materials published in *Krakiws'ki Visti* contributed to the **mass murder of Jews**. Khomiak's granddaughter, Chrystia Freeland, is now Canada's Minister of Foreign Affairs. In 2017, some Canadian officials spuriously claimed that the circulation of news regarding Chomiak's connection to Nazism was the result of a Russian disinformation campaign. Nevertheless, these facts have been confirmed by the University of Alberta historian and son-in-law of Chomiak, Professor John-Paul Himka.

Chrystia Freeland worked as a reporter for the *Financial Times*, where she ran the Moscow bureau and later served in senior management. She also hold senior positions at the *Globe and Mail* in Toronto and Thomson Reuters in New York.

She met fellow in London. They married in two ceremonies for their families. Thier children were born in different cities — Natałka, 14, in Toronto; Halyna, 10, in London; and Ivan, 6, in New York.

Freeland published two books — *Sale of the Century: The Inside Story of the Second Russian Revolution* in 2000; and, in 2012, bestselling *Plutocrats: The Rise of the New Global Super-Rich and the Fall of Everyone Else*.

Chrystia Freeland's grandfather was a Nazi. She like George Soros and now she is pushing an anti-freedom agenda on Canadians and referring to those who support freedom and protest against the insane anti-freedom mandates as terrorists.

Here is the entire composite for the points above.
